

Arrival guidance

- The entrance to the covered parking is on **Maude Street**.
- When you enter the building, **at the booms**, the security will take your temperature, scan your car licence disk as well as your driver's licence. Please have this to hand.
- After the security check, please **turn right after the boom** and follow the signage, proceeding up to **parking Level 3**. Enter the glass door at the elevators, then, turn right towards another glass door. Follow the passage and continue past the escalators and turn right towards **reception**.
- If arriving on foot, proceed to **reception on Level 3** and announce yourself to the reception staff who will ask for your name and your identification. You will be given an access card to access the elevator which will take you up to our office on the **11th floor**.
- On exiting the elevator on the **11th Floor**, turn left, use your access card to exit the glass doors, turn left again along the corridor, and we are the second office on the right.
- Our welcoming staff will be waiting for you in our lovely office.

Departure guidance

- On departure you will be required to hand in your access card to avoid being charged for the card.
- Have a safe journey back home!
